360° range

Dynamic Noise
Reduction

Automatic echo
Cancellation

USB Plug & Play

10 hour talk time/90
day standby

RJ45, 3.5MM, USB

3-year warranty

Boom GEMINI offers powerful 48kHz wideband audio with an impressive 8 meter (26ft) omnidirectional range. The included expansion unit connects easily to extend the audio and microphone capacity for the ultimate in flexibility from medium to large meeting spaces. Enjoy professional, wireless audio in conference rooms and meeting spaces on any meeting platform. Boom GEMINI twin speakerphones make meetings better, simply.

Perfect pair

Acoustic Echo Cancellation (AEC), two-way noise compression, smart mic technology and Automatic Gain Control (AGC) provide an excellent audio experience.

Cut the chords

Wireless connectivity with Bluetooth allows for attractive cable-free audio in an ideal centralized location without the expense of running cables under flooring.

Take it anywhere

Meet on Zoom, Teams, Google Meet, Webex or your favorite meeting platform or soft phone. Use with Boom cameras for a complete meeting experience or alone on audio-only calls.

Plug & Play

Easy to use design allows for quick setup and connection over USB and Bluetooth 5.0 with included Bluetooth dongle for quick pairing.
