

# Boom GIRO

a professional audio device for superior meetings

## FEATURES

360° omnidirectional pickup

Full-duplex HD audio

Dynamic noise reduction

Bluetooth 5.0

Lithium Ion battery

Plug & play

USB 2.0

3-year warranty

With 360° omnidirectional microphone pickup and full-duplex HD Audio, the Boom GIRO provides a professional conferencing experience for your meetings. Enjoy the convenience of wireless audio with the built-in lithium ion battery via Bluetooth or connect directly to a computer with simple USB for a plug & play experience. The GIRO is a versatile speakerphone great for the home office, huddle room, and those on the go. Better meetings. Simply.

### Premium audio

The GIRO delivers professional audio boasting 10ft pickup range with leading echo cancellation and noise suppression technology. This highly sensitive microphone combined with full duplex powerful HD audio make this speakerphone your go-to audio device for excellent meetings.

### Take your meetings anywhere

With a stylish carrying case and simple USB charging, the GIRO is your go-anywhere speakerphone. Use it on the go for personal meetings and in huddle rooms with a small group for an enhanced audio experience.

### Compact design

At just under 5 inches in diameter, the portable GIRO offers big audio with a small footprint making it an ideal solution for any sized space.

### Endless possibilities

Connect with virtually any meeting platform, mobile phone, or computer via USB or Bluetooth for the ultimate flexibility in a professional package.

## Boom GIRO

Built for professional and portable meetings in huddle rooms, conference rooms, home office and on the go
